

DON'T LET OUR WORLD DIE

Take a walk in your hometown
See the graffiti on the walls
It's a way to say you're angry
But it don't take away the cause
Seems like we live in glittered shelters
While the world spins to her loss

Take a ride to a river
If you can find one that's clean
Yeah, its smell and its clearness
Might be the last time you've seen
How rivers were at the beginning
Before human minds interfered

Chorus:

*Don't let our world die
We ain't ready
Our lives have not yet
Come to an end
Don't ruin the nature
That we long for
We need a lot more time to spend*

There's so many ways to succeed in
Changing what's wrong into right
Start demanding and stop asking
Just let nature be your guide
No more time left for neglecting
We ain't got no more time to hide

Chorus:

*Don't let our world die
We ain't ready
Our lives have not yet
Come to an end
Don't ruin the nature
That we long for
We need a lot more time to spend*

na, na, na, na, na, na, na, na,
na, na, na, na, na
na, na, na, na, na, na, na, na,
na, na, na, na

na, na, na, na, na, na, na, na,
na, na, na, na, na, na, na, na

Chorus:

*Don't let our world die
We ain't ready
Our lives have not yet
Come to an end
Don't ruin the nature
That we long for
We need a lot more time to spend*
