

In the here and now

(Mario:) If I have to let you go,
My heart cries out in pain,
Am I such a fool to lose?
The smile I used to know ,

Since I can remember,
You've been there by my side,
Did I betray your trust?
Will I blame my selfish pride?

Chorus:

*Let me take you by the hand,
Now in minor fast,
Don't look back at yesterday,
You'll only find the past,
Love me "In the here and now",
And we will make it last.
.... we will make it last*

(Vera:) I wish I was a butterfly
That flutters music in the sky
To tell you how I really feel
Or do we say goodbye?

(Mario & Vera:) When our love must die
Please try to remember
I'll never cry a lie

Chorus:

*(Mario & Vera:) Let me take you by the hand,
Now in minor fast,
Don't look back at yesterday,
You'll only find the past,
Love me "In the here and now",
And we will make it last.
.... we will make it last*

Bridge:

(Mario, Vera & Jaap:) Why didn't I listen to the words you said?
Treated you the way that I now regret,
I can't believe we're far apart
It's breaking down my heart

Chorus:

*(Mario & Vera:) Let me take you by the hand,
Now in minor fast,
Don't look back at yesterday,
You'll only find the past,
Love me "In the here and now",
And we will make it last.
.... we will make it last*
