

Wake-Up Call

Five in the morning, I'm wide awake,
Looking at you while you sleep
Face glowing beauty, the peace it reflects,
Makes me aware of my love

Five in the morning, the day starts dawning,
Still don't know how to tell you
That my love in endless, 'cause the words I can't say,
Might break the magic so real, so real

Chorus:

(Mario:) Maybe tomorrow

(Mario:) Maybe tomorrow

(Vera:) Maybe tomorrow, I'll tell you all my love

All my love in a thousand words

Then I know what to say to you

Then I know that you love me too

All the love that I feel, I'll write in a song,
My love unveiled, in a melody strong
The words I can't speak, when you're not asleep,
Touch your heart softly, but deep

Chorus:

(Mario:) I'm sure tomorrow you'll know

(Mario:) I'm sure tomorrow how to show

(Vera:) I'm sure tomorrow, I'll sing you all my love

All my love in a thousand words

Then I know what to say to you

Then I know that you love me too

Brigde:

I love.....I love.....I love.....I love.....I love.....

Will you love me too

Chorus:

(Mario:) I'm sure tomorrow you'll know

(Mario:) I'm sure tomorrow how to show

(Vera:) I'm sure tomorrow, I'll sing you all my love

All my love in a thousand words

That's my way I can say to you

And find out if you really love me too
