

## Where I'll never be again

(a capella intro 2X:)  
My life was like a bleeding heart,  
Now ending all the sorrow,  
Wash away my tears,  
Before I fall apart

I was tired of all the lies,  
They followed me day by day,  
Trying to flee the pain,  
So I had to go away

Finding out who I am again,  
Rebuilding walls to how I once began,  
Breaking away,  
To regain my trust again...

*Chorus:*  
*My life was like a bleeding heart,*  
*Now ending all the sorrow*  
*And wash away my tears,*  
*Before I fall apart*

*I'm holding on to the strength in me,*  
*Fading all my past*  
*And never return*  
*To where this all began.....Where I'll never be again.....*

(a capella: )  
My life was like a bleeding heart,  
Now ending all the sorrow,  
Wash away my tears,  
Before I fall apart

An empty feeling, my weakened mind,  
Made me cry through the day,  
To trust myself was far behind,  
That's why I couldn't stay.....

Now standing before my mirror,  
I was blinded by my selfish pride,  
I couldn't hide,  
There was no one by my side

*Chorus:*  
*My life was like a bleeding heart,*  
*Now ending all the sorrow*  
*And wash away my tears,*  
*Before I fall apart*

*I'm holding on to the strength in me,*  
*Fading all my past*  
*And never return*  
*To where this all began.....*

*Bridge:*  
*My dreams and hope will get me through the day,*  
*Praying this feeling... is here to stay...*

*Chorus:*  
*My life was like a bleeding heart,*  
*Now ending all the sorrow*  
*And wash away my tears,*  
*Before I fall apart... Oh Oh*

*I'm holding on to the strength in me,*  
*Fading all my past*  
*And never return*  
*To where this all began... Where I'll never be again...*

(a capella:)  
My life was like a bleeding heart,  
Now ending all the sorrow,  
Wash away my tears,  
Before I fall apart
