

Wish You Were Here *(my letter to the angels!)*

Especially written in memory of "Priscilla" (May 15th 1987 – June 14th 2013)

I feel a warmth around me,
Like her presence is so near,
For I know it's a moment,
Her memories will be here

She was lying in my arms,
As I tried to say goodbye,
Her wings embraced me once again,
But my tears flowed with a cry

You've reached out for her hand,
So hard to understand,
I can't believe she's far away,
And why she couldn't stay

Chorus:

*Dear Angels,
If tears could make a stairway,
And memories the rain,
I'd walk up to your heaven,
To see her once again
Dear Angels,
I've tried to flee the pain,
But I've lost my precious dear,
My empty heart would say to her.....
"How I wish you were here"*

Carried by the wind,
Her voice whispers: "I miss you"
Between the stars, I see her smile,
I want to hold it for a while

If heaven had a window,
And God gave me a view,
Will you let me see the world,
Where her spirit's safe with you

Chorus:

*Dear Angels,
If tears could make a stairway,
And memories the rain,
I'd walk up to your heaven,
To see her once again
Dear Angels,
I've tried to flee the pain,
But I've lost my precious dear,
My empty heart would say to her.....
"How I wish you were here"*

Bridge:

I know.....
My wish to see her once again,
Can onlybe a dream,
I have to fly into your endless world,
But that'll take to long for me.....

Chorus: (only part two)

*Dear Angels,
I've tried to flee the pain,
But I've lost my precious dear,
My empty heart would say to her.....
"How I wish you were here"*
