

## LIKE YOU ARE

Words are not enough to say  
How much you mean to me  
We share laughter and our trust  
Even when our days are rough

When you're near I have no fear  
If flowing winds make me weak  
And sadness reveals my grief  
You wipe away my shattered tear

Chorus:

I close my eyes  
As I hear inside  
This song my sister cries  
Love symphony so strong  
No matter from how far  
There's no one like you are

You shine into my soul of flames  
My lightning star in darkened nights  
If salvation not belongs to God  
You're the guardian through my shames

In my heart a special place,  
When filled with sorrow and despair  
And angels have no wings to fly  
I know you will be there

Chorus:

I close my eyes  
As I hear inside  
This song my sister cries  
Love symphony so strong  
No matter from how far  
There's no one like you are

Bridge:

Sometimes skies are full of grey  
Even if we're far apart  
Our shadows follow  
From miles away  
My love for you is here to stay

Chorus:

I close my eyes  
As I hear inside  
This song my sister cries  
Love symphony so strong  
No matter from how far  
There's no one like you are
